Industrial gates

NOSEHINGE-I

https://www.locinox.com/en-gb/gate-hardware/hinges/industrial-gates/d00000080

Adjustable and compact 90° hinge. The inner parts are made out durable extruded aluminium and guarantee thus a long life span. Easy installation guaranteed thanks to our patented Quick-Fix bolts. Given its sleek and aesthetic design, Nosehinge is a perfect fit for residential gates. For 50 mm gate frames only.
