PUSHBAR-L

<https://www.locinox.com/en-gb/gate-hardware/accessories-for-locks-keeps/special-handles/d00000142>

Push bar for an easy opening of a gate by a simple push. The aluminium PUSHBAR replaces the standard handle, operates the daybolt and can quickly be installed on new or existing Locinox surface mounted gate locks (LA, LP and LF chassis). The PUSHBAR is available in a long version (1400 mm). The push bar can however be perfectly shortened to fit any gate.
