The Guardima is a magnetic child-safe gate latch ensuring safety and security for single leaf gates. Guardima is installed on the gate and its patented internal leverage allows for smooth opening and closing, thanks to its unmatched magnetic force. The anodized aluminium and powder coated components make the Guardima as attractive as it is functional, adding elegance and value to your pool, park, playground or back yard. Thanks to Quick-Fix, installation is easy and firmly on a wide range of gate materials and is compatible with most international code requirements.
